STUDENT END

Okay, new idea so HOD should be the first place for clearance, Without HOD being approved, requests to other departments will be automatically rejected. Then once it's rejected display the reason as " HOD approval needed."

Library requirements for approval

- Final year project soft copy upload and Abstract page then display a message saying("Your Hard cover project has to be submitted first before doing this" BOLDLY)
- HOD approval

Bursary requirements for approval

- HOD approval
- Health Centre(BUTH) approval
- Security approval
- Student account number: e.g S211407 (S-(matric number without slash))
- Then on the other end if the student is in debt, the staff rejects and inputs the debt amount and financial record of the student so that the student can make payment and try again

Health Centre requirements for approval

- HOD approval
- User inputs their Hospital card number (i.e 12/3456)

Security requirements for approval

- HOD approval
